Thinking Spring

It is officially spring! The sun is out (or at least it should be), and the colors of spring are everywhere. Spring is a time for rebirth and renewal, when we're reminded of the cycle of life and the beauty of nature.

In honor of spring and of Earth Day, download and crochet this endearing Mother Nature doll. Even if you need rainboots and umbrellas on hand to handle the April Showers, you can keep this sunny lady at your side for a quick pick-me-up. She also makes a great gift for co-workers and friends to celebrate the season.

Whether you love spring cleaning or not, there's something very satisfying about cleaning from top to bottom once a year. You can be good to your wallet and the environment by using [Lily® Sugar'n Cream®](#) for many of your cleaning needs. From dishcloths to keyboard dusters to mop covers, enjoy these fantastic free downloads and kick start your spring cleaning.
