Introducing Lily Sugar'n Cream Scents - your favorite yarn, now available in your favorite scents! As you knit and crochet with the yarn, the scent of your choice is gently released. Lily Sugar'n Cream Scents is created using micro-encapsulated essential oils, which are thought to reinforce harmony and well-being of body, mind, and spirit. From Vanilla, to Lavender, to Camomile, the capsules release gradually - as you knit and crochet, and later after your project is complete, adding a pleasant aroma in your space. Lily Sugar'n Cream Scents are perfect for scented sachets, gifts and special treats for yourself.

### *Powder*

### *Camomile*

Camomile is an extract from the Chamomile flower and is famous for its moisturizing effect and relaxing properties. Camomile evokes the smell of fresh laundry.
