Halloween is here!

It's October and it's time to get ready for Halloween! Getting into the spirit of Halloween is not very hard. From making costumes to making sweets, there's always something fun and inspired to do. Decorating your house inside and out for Halloween lets everyone know you'd prefer treats to tricks, and keeps the mood light and whimsical. Decorations knit and crocheted in [Lily® Sugar'n Cream®](#) are just the beginning - you can create Halloween-inspired items for everyday use as well! We're giving you some free patterns you can make and share with all the friends, family, ghouls, goblins and Halloween-lovers in your life.
